Dear Boy Scouts of America,

Congratulations on celebrating 100 years of Scouting in America! Because of the Boy Scouts of America's spirit of service, youth across America are blessed with the opportunity to gain compassion, leadership, character, and the willingness to serve through this organization. Thank you for being such a key part of building a better, brighter future for our children.

I applaud the millions of service hours put forth by our Scouts and their friends and families. Together, they help strengthen our communities, promote the values of honesty and generosity, and provide for a better tomorrow. For this, on behalf of the citizens of Alaska, I appreciate Boy Scouts of America's service and selflessness.

As you celebrate 100 years of scouting in 2010, I commend you for all that you do every day to help build a better America.

Sincerely,

A handwritten signature in blue ink that reads "Sean Parnell".
