Dear Boy Scouts of America:

On behalf of the citizens of the State of Colorado, it is my pleasure to congratulate you on 100 years that the Boy Scouts of America have made significant contributions to communities through a spirit of service and dedication to volunteerism.

One hundred years is no small feat, and it's clear that the foundation of values you have laid for America's youth have provided a base on which generation upon generation can be proud of the work that has been done. You have planted the seed of success in your members, and they have passed it on to their family and friends.

Once again, congratulations on reaching the centennial milestone. It's my hope these coming years will be some of the greatest in Boy Scouts of America's storied history. You have my commendations and best wishes, now and in the years to come.

Sincerely,

A handwritten signature in black ink that reads "Bill Ritter Jr." in a cursive style.
