

CHARLIE CRIST
GOVERNOR

January 2010

Dear Friends:

It is a pleasure to congratulate the Boy Scouts of America on your 100th anniversary.

The Boy Scouts of America has helped set thousands of young people on a path guided by a strong moral compass and rooted in the twelve times tenets of the Scout Law. What is learned at this young age shapes personal character and sense of community purpose in ways few other programs achieve. Floridians can count on these young people to be good stewards of our resources and to be prepared for the challenges of tomorrow.

Scouting's programs are made possible through the leadership of caring adults who work tirelessly to provide opportunities for these young people to succeed. More than one million volunteers are taking this advisory role in the United States. These volunteers are answering the call to serve a cause greater than self.

Congratulations on your anniversary and best wishes for continued success.

Sincerely,

A handwritten signature in blue ink that reads "Charlie Crist".
