Boy Scouts of America members and leaders:

Congratulations on reaching your organization's 100-year milestone! "A Year of Celebration, A Century of Making a Difference" is not only a great time to look back at all you have accomplished in serving our youth and our country, but also a chance to plan ahead and ensure the next 100 years will be just as productive and memorable.

Boy Scouts of America has provided our youth with an extraordinary service, teaching them the importance of leadership, instilling the idea of service, and helping them become valuable and contributing members in their communities.

Whether you are just starting out as a cub scout or have climbed the ranks to an adult leader or a supporting veteran, your contributions are appreciated. It is your efforts that make these historic milestones achievable.

Again, congratulations on this accomplishment and keep up the great work.

Sincerely,
