Dear Friends,

On behalf of the State of North Carolina, I am pleased congratulate the Boy Scouts of America on your 100th birthday. It is my privilege to join you in commemorating this momentous event.

North Carolina is proud to be the home of countless past, current and future Boy Scouts of America. These leaders can be found in all aspects of life and the skills they learned make a difference in every community across our state.

For 100 years the Boy Scouts of America have been molding young men to be and do their best. The contributions of this great organization cannot be measured in years, but in its extensive membership and the good deeds of the young men who call themselves Boy Scouts.

Best wishes for a wonderful celebration and another 100 years of *building a more conscientious, responsible and productive society.*

Sincerely,

A handwritten signature in black ink that reads "Bev Perdue".
