Dear Scouts:

As Governor of Oregon, I am honored to recognize the Boy Scouts of America's 100th anniversary. This milestone marks an era of support to young people across America and it is truly a special occasion.

Scouting provides guidance in leadership, character and community service and gives scouts an opportunity to learn and develop skills for future success. Supported by countless volunteers, businesses and organizations in the community, Boy Scouts help our youth share in the joy of community service, evolve morally, and grow into caring, compassionate adults. I commend the Boy Scouts of America for their contributions and commitment to young people across the nation and support their long-standing mission to help prepare today's youth to become tomorrow's leaders.

On behalf of the citizens of Oregon, I would like to extend my appreciation to the Boy Scouts of America for all they do. Congratulations on your centennial and best wishes for many more prosperous years ahead.

Sincerely,

THEODORE R. KULONGOSKI
Governor
