Mr. Robert J. Mazzuca, Chief Scout Executive
Boy Scouts of America
P. O. Box 152079
Irving, TX 75015-2079

Dear Mr. Mazzuca:

Congratulations to Boy Scouts of America on its 100 years of Scouting! I am delighted to send this letter of commendation to BSA in recognition of your organization's great history and in the hope that the spirit of service BSA exemplifies will carry on for another century.

Boy Scouts of America epitomizes the qualities that our young people need in order to grow into happy, healthy, contributing, self-supporting members of society: do your best; do your duty to God and country to help others; prepare yourself physically, mentally and morally to meet these goals.

Wyoming is a wonderful place, made all the more so by the boys and their parents who are members of the Longs Peak Council. The instructions imparted to Scouts to develop courage, self reliance and the will to be ready to serve in an emergency are skills that help prepare these boys to become quality citizens of our communities. BSA has contributed to the successful maturation of countless of my state's young men, and for that I am deeply appreciative.

I send best wishes for BSA's continued growth and increasing relevance. Here's to celebrating the adventure and continuing the journey for many years to come!

Best Regards,
